## THE BLOOMFIELD RECORD.

Entered at the Post Office at Bloomfield as second class mail matter.

## STATE ITEMS.

The small-box is becoming almost an epidemic in Jersey City.  
 Newark ranks fifth among American cities in the number of Presbyterians.

At a meeting last week of the Roseville Baptist Church, the resignation of the pastor, Rev. Mr. Baldwin, was accepted, to take effect December 1st.

Notwithstanding the State Fair being held during the week of mourning for the late President, the receipts were only about \$2,000 less than last year.

A statement of the fact in the case of the State of New Jersey vs. Henry C. Kasey, upon which the case will be argued before the Supreme Court, has been agreed upon between the parties, and the case will be put on the list for argument at the November term.

Rev. Dr. Flagg, who has been occupying the pulpit of Trinity Church, Newark, for most of the time during the absence of Rev. Dr. Eccleston, closed his engagement there last to Rev. Dr. Putter of Grace Church, New York city.

John P. Gross, D. B., Principal of the public schools of Plainfield, died last week of an affection of the lungs, after an illness of two days. Dr. Gross came from Brunswick, Me., his native place, about seven years ago to take charge of the schools at Plainfield. He was an Educational Commissioner from New Jersey to the last World's Fair at Paris. He was well known in educational circles in New York City and in New Jersey.

The season just closed was the most prosperous in the history of Asbury Park and Ocean Grove. Building is very brisk, in both places, and new cottages are being erected in all portions of the Park and Seaside. The Grove Guards Association has a large gang of workmen engaged in laying out new roads. The annual meeting of the association will be held next Tuesday in the Tabernacle.

The stockholders of the Atlantic Highlands Camp Meeting Association, elected last week the following officers for the present year: President, Rev. James E. Lake, of Seabright; Vice President, the Rev. Dr. S. L. Baldwin, of Newark; Secretary and Superintendent, Somers T. Champion, of Atlantic Highlands; Treasurer, Thomas Leonard, of Leonardsville. During the two months of its existence the Association has received \$60,000 for lots.

Judge Scudder has filed in the office of the Clerk of the Supreme Court his decision in the case of the appeal of the New York and Greenwood Lake Railway Company from the assessment of the Board of Railroad Commissioners for State taxes, confirming the assessment. The principal ground of Judge Scudder's decision was the testimony of President Abram S. Hewitt that the road is worth more this year than last. The basis of the road's value is half of one per cent of the true value of the railroad, the total amount being nearly three thousand dollars.

A large meeting was held in the Orange Music Hall Lecture Room last Monday evening for the purpose of reorganizing the Orange Vocal Society. Everett Frazer presided, and David H. McCoy acted as Secretary. After explaining the object and a brief discussion the following committees were appointed to nominate officers: Philip Ward, Lewis D. Harrison, David H. McCoy, S. O. Rollinson, T. J. Smith, F. W. Baldwin, J. G. Wheeler. They nominated the following, who were unanimously elected: S. O. Rollinson, President; F. W. Baldwin, Secretary; T. J. Smith, Treasurer; S. M. Taylor, Librarian. Dr. Schock was added to the committee which nominated, with instructions to report a plan and nominate trustees to perfect the organization at the next meeting, which will be held next Monday evening.

The late President Godfield was a member of the Masonic fraternity, and well up in the Knights Templar degrees. Ever since his death the Masons in Newark have been arranging for a united lodge of sorrow to be held in memory of him, and the arrangements are now completed. This interesting ceremony will take place in the Grand Opera House on next Monday evening, and all the lodges in Newark will participate. The lodge of sorrow will be formed upon the stage. A prominent feature will be a large catalogue draped in black, and surrounded by a number of lighted candles and choice plants and flowers. The chief officers of the lodge will be W. M. Past Grand Master Wm. E. Pipe; S. W. E. A. Waterbury; J. W. William Rutan. There will be vocal and instrumental music, the vocal music being rendered by a chorus choir of about 100 voices, led

by Mr. Morrell. An oration is to be delivered, and Past Grand Master Marshal B. Smith, of Passaic, has been invited to be the orator. The committee having charge of the arrangements have spared no expense or trouble to make this the most solemn and impressive demonstration ever made by the Masonic fraternity in this city, and the music, flowers and decorations alone will cost \$500.

## PRINCETON NOTES.

The lack of water in the cisterns and wells here has become a serious matter. If the drought continues much longer it will prove a calamity. For some time past the College resources have failed, and they have been obliged to cart water at a cost of a dollar per load from a pond in the vicinity. Were the proposed waterworks in operation now they would be a boon to the institutions especially, whose hitherto beautiful lawns are beginning to look worn. The Water Company would have advanced their interest greatly; for many, doubtless, would have been prompted by the inconvenience of the carting to subscribe to their organization, which then would be self-sufficient.
